Dear Troy Resident,

For the first time since 2000, the City of Troy has altered its **SNOW EMERGENCY PLAN** to deal with snowplowing and/or removal on our streets. This new plan is designed to allow for the clearing of city roadways in a manner that is both economically feasible and efficient.

In order to ensure that this new measure is successful, we will need full cooperation from city residents. Therefore, I ask that you please take the time to familiarize yourself with the information contained within this brochure so that you are prepared to act accordingly in the event that a **SNOW EMERGENCY** is declared in Troy.

Your cooperation is greatly appreciated and will allow the City to properly alleviate problems associated with both driving and parking during winter months.

Sincerely,

Lou Rosamilia  
Mayor, City of Troy
